

Cameron Paterson - 1966-2026

It is with great sadness that we share the news that Cameron Paterson passed away peacefully in his sleep at his home in Scarborough on September 16.

Cam was a long-time Special FX technician and supervisor whose career included work on many notable productions, such as *The Handmaid's Tale*, *Pillars of the Earth*, *Cinderella Man*, *K-19: The Widowmaker*, *Dawn of the Dead*, and numerous others.

He will be deeply missed by his family, as well as by many IATSE friends and colleagues in Toronto and across Canada
